To amend section 103 of the principal Act by adding at the end of the seventh line thereof the words following: "Provided that when any such owner is the holder of the last agreement to purchase such real property, or the last assignee of said agreement, such owner shall not have such right of voting on any such by-law unless he or she shall have filed with the City Clerk, before the City Clerk shall have completed and closed the list of voters entered to vote on such by-law, a statutory declaration proving that he or she is the holder of the last agreement to purchase such real property, or is the last assignee thereof, by the terms of which such holder or assignee is liable to pay the taxes, and is a British subject."

11. To further amend section 133 of the principal Act as amended by adding after subsection (15b) thereof the following subsections:—

"(15c.) Whenever the Council is desirous of proceeding with any work or undertaking in the pursuance of which any real property may be entered upon, taken, or used by the City in the exercise of any of its powers, or may be injuriously affected by the exercise of its powers, the Council may file plans and specifications of the work or undertaking, or certified copies thereof, with the City Clerk, who shall, on receiving the same, issue a notice setting out the Council's intention to proceed with such work or undertaking, and to enter upon, take, or use the lands necessary therefor, and that such plans and specifications have been filed with him and may be inspected at his office, and that all claims for damages by reason of the said proposed work or undertaking must be filed with him within sixty days from the service of such notice, and that such owners, occupiers, or other persons must file with the said Clerk, within the said period of sixty days, their claims for damages for any of the causes aforesaid, showing the amount thereof, or that in default thereof any claim for such damages will be barred; and he shall cause such notice to be served upon the owners and occupiers or other persons interested in the real property so to be taken, entered upon, or used as aforesaid, or which may be injuriously affected as aforesaid:

"(15d.) In case the person served as aforesaid is at the time of such service resident without the Province, a further period of thirty days shall be allowed such person to file his claim:

"(15e.) Service of any notice under this Part of this Act, except in cases of expropriation of the land, shall be deemed to be made, and shall be effectual and binding upon all persons concerned or liable to be affected thereby, upon the city complying with the following requirements: By posting by registered mail such notice to all persons who at the time of the filing of the said plans and descriptions are registered in the Land Registry Office of the district as the owners of the land or as mortgagees, or as persons having or claiming by registration under the provisions of any Statute any charge or encumbrance upon the same, addressed to such registered owners or encumbrancers at their usual or last-known place of abode; and in the case only of the registered owner or encumbrancer being dead, and no legal representative registered, or the persons registered being not *sui juris*, then by delivering such notice to the District Registrar of the said Land Registry Office for the district, who shall forthwith enter the said notice as a notice affecting the lands in question, and also by advertising five times such notice in some daily newspaper circulating in the municipality. Every such notice shall take effect as of the date of posting aforesaid, or of last advertisement as aforesaid:

"(15f.) Every claim under this Part of this Act shall be made pursuant to the said notice, and unless made, in the case of persons resident within the Province, within sixty days after the service of such notice, or in case of persons resident outside of the Province, within the said further period of thirty days, shall be barred and extinguished, unless upon application to a Judge of the Supreme Court, or to the Judge of the County Court of the county in which such city or town or other municipality is situate, and upon giving to the said Council at least seven days' notice of such application, such Judge allows the claims to be made and served. Either party may appeal from the decision of the Judge to the Court of Appeal, but every such claim shall be absolutely barred and extinguished unless made within a period of one year from the service of the said notice:

"(15g.) If any claim is so filed within the time aforesaid, the same, unless accepted by the Council,

shall forthwith be determined by arbitration under this section:

"(15h.) If any real property is entered upon, taken, or used by the municipality or injuriously affected by the municipality in the exercise of any of its powers, and the Council does not give notice under section 362 hereof, the owner may nevertheless file a claim, and the said claim shall, unless accepted by the Council within ten days thereafter, forthwith be determined by arbitration under this section:

"(15i.) The person making a claim shall deliver full particulars of the damages for which such claim is made, and the arbitrator or arbitrators, upon the hearing of the claim, shall have the same power as to the amendment generally, or to amend such claim or particulars, or any proceeding had or taken upon the hearing thereof, as a Judge would have in an action; and the arbitrator or arbitrators may, in his or their discretion, refuse at any time to hear, upon any matter or question, further evidence of a cumulative character."

To amend subsection (2) of section 23 of the "Vancouver Incorporation Act, 1900, Amendment Act, 1907," by inserting after the word "up," in the second line thereof, the words "widening, prolonging."

To amend section 23 of the "Vancouver Incorporation Act, 1900, Amendment Act, 1907," by adding at the end thereof the following subsection (4):—

"(4.) Notwithstanding anything in this Act contained, the Council, in the case of the opening-up, widening, prolonging, or extending of any street, lane, alley, or highway, may by by-law provide that the proportion of the cost of such work chargeable against the property benefited thereby shall be assessed and levied by special rate on such property according to the assessed value thereof: Provided, however, that this subsection shall not prejudice or affect the rights and powers of the Council under subsection (4) of the preceding section 22 hereof."

13. To amend the principal Act and amendments thereto so as to authorize and empower the city to issue and sell its debentures or stock in series of such length of time and nature as shall be deemed advisable, all of any one series being redeemable at the same time, with provision for redemption at any time during the period over which such series shall extend.

To amend the principal Act and the amendments thereto so as to provide, in respect to local improvement and debentures therefor, that stock, as provided by sections 124A to 124F, inclusive, of the principal Act, may be issued instead of debentures; that the city shall be liable for principal and interest to holders of such debentures or stock; that the city may pass collective or cumulative by-laws consolidating the different amounts required under different local improvement by-laws, or under different money by-laws, in a general consecutive issue or series of stock or debentures under such consolidated by-law; that the city make an estimate each year of the amount of money required to pay for the cost of local improvements during such year, and may by by-law authorize the issue and sale of debentures or stock for the purpose of raising such sum prior to completing or proceeding with the construction of such local improvements, and may also include in such by-law the amount of any debts authorized by any by-laws passed in the same year under the general borrowing powers and any debts of the city created by the Legislature, and may direct the issue in one series of the debentures or stock authorized to be issued by all or any of such by-laws with the debentures or stock to be issued for raising the amount estimated for local improvements as aforesaid, and may provide for a sinking fund, or make the debt payable by instalments of principal and interest as provided by the principal Act in regard to borrowing money, and may extend the time for payment of the debt in either of such methods for such length of time as the Council may deem necessary, notwithstanding that the frontage or property assessments in connection with such

local improvements may be payable at one or more different periods, and may consolidate any such debts by one or more such by-laws, and for the purpose of making the dates of payment uniform may, without resubmitting any by-law, change the date of payment or maturity of the debentures or stock authorized to be issued by any by-law for the borrowing of money; and that, in case any such change in the payment period is made, a recompensation shall be made of the amount necessary for the annual levy of sinking fund or instalment of principal and interest, and that it shall not be necessary to submit to the electors any by-law of any nature above mentioned.

14. To repeal sections 233 to 235, inclusive, of the principal Act, as enacted by section 10 of the "Vancouver Incorporation Act, 1900, Amendment Act, 1907," and to enact in lieu thereof the following sections 233, 234, and 235:—

## DOMINION ORDERS IN COUNCIL.

[2410.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 24th day of September, 1914.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 15th September, 1914, from the Acting Minister of the Interior, submitting that the Canadian Pacific Railway Company has made application for right-of-way for a pipe-line for a water supply at Drynoch, British Columbia, being part of the North-west Quarter of Section 9, in the Sixteenth Township, in the Twenty-fifth Range, west of the 6th meridian, and containing an area of 71 hundredths of an acre, as shown on attached blue-print copy of plan;

That the Agent of Dominion Lands at Kamloops reported on the 20th June, 1914, that the land is not valuable, and he recommends that the area applied for be disposed of at the rate of \$5 per acre;

The Minister states that the above-mentioned land is available and has been surveyed and the work approved by the Surveyor-General. The company holds a water record at this point reported by the Provincial Government to be in good standing,—

The Minister, therefore, recommends that the Canadian Pacific Railway Company be allowed to purchase the above-mentioned land at \$5 per acre.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,  
*Clerk of the Privy Council.*

no26 [2860]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 12th day of November, 1914.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 14th October, 1914, from the Acting Minister of the Interior, stating that the regulations for the disposal of petroleum and natural gas rights, the property of the Crown, approved by Order in Council dated 11th March, 1910, and the regulations approved by Order in Council dated 19th January, 1914, provide for the payment of rental after the first year at the rate of 50 cents an acre per annum, and for the installation, within one year from the date of the lease, of machinery and equipment suitable for carrying on prospecting operations on the location described in the lease;

That representations have been made to the Minister of the Interior that the financial stringency resulting from the war has rendered it exceedingly difficult for the lessees under these regulations either to pay the rental due, or accruing due on their locations, or obtain the means with which to install boring machinery necessary to prospect such locations, and numerous applications have been made to the Department of the Interior for extensions of time within which to comply with these requirements;

That the lessees have in all cases paid the rental for the first year, and in a few cases machinery has been installed and boring operations are being vigor-

ously prosecuted, and the strict enforcement of the regulations would in a large majority of cases deprive the lessee of the rights which he has acquired, and in connection with which he has made a very considerable payment.—

That in view of the representations which have been made to the Department of the Interior as to the serious difficulty experienced in securing capital with which to engage in an enterprise involving a considerable element of risk, the Minister recommends that he be authorized to grant the lessees who have acquired their rights under the provisions of the Orders in Council above enumerated, an extension of time for one year from the 15th October, 1914, within which to pay, without interest, the rental for such rights which may now be due or which may become due before the 15th of October, 1915; also an extension of time for one year from the date upon which the required authority may be obtained within which to install machinery and equipment on the locations leased, in the manner prescribed in the regulations approved by Orders in Council dated the 11th of March, 1910, and the 19th of January, 1914, above referred to.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,  
de3 Clerk of the Privy Council.
